“ This is a beautiful video and I loved seeing all the pictures. It is hard to believe that we knew Jay for around 44 years. We went through a lot of good times and bad times as neighbors and we were so happy for him and Jennifer when they found love again and were blessed with a new family. I did not realize how much Preston looked like Jay but that first picture was unbelievable. I thought it was Preston!

“ So sorry to here about your lose. My name is Todd Lehman, I am the Senior Quality Technician here at Smith Brothers. I enjoyed Jay's company every time he came to visit us here at Smith Brothers and I would have to say my favorite story Jay shared with me, is the one about the boat he was going to get for grandparents day. He would just light up ever time he spoke about it. Jay was a good man and will be missed.
May The LORD be with you all! (Isaiah 41:10)

“ My heart breaks for the entire family. Jay was an amazing man. Always had a smile on his face and radiated God's love to everyone he came in contact with. My entire family is so blessed to have gotten to know him. May God wrap His arms around all those that mourn.
